About this Guide

Each of the topics includes step-by-step instructions for performing a specific task within Global Card Access or for accessing an application within the Global Card Access card portal. You can review all of the tasks in this guide or review the task that is specific to your interest. Your company must be configured for an application to view and access the application within the Global Card Access portal.

Within this guide, you will learn how to:

**Global Card Access**

- Log in to Global Card Access.
- Register as a new user.
- Update password and security questions.
- Edit profile information.
- Reset a forgotten password.

**Alerts**

- Set up Alerts and Contacts.
- Edit Alerts.
- Edit Contacts.
- Edit Preferences.
- Set up Corporate Account Alerts.

**Online PIN Check**

- Access Online PIN Check.
- Retrieve your PIN.
Global Card Access

Introduction

Bank of America Merrill Lynch has developed the Global Card Access website to provide cardholders and Program Administrators with Bank of America Merrill Lynch corporate card programs a single point of access to self-service tools such as Online PIN Check and Alerts registration. Currently, Alerts via Global Card Access is only available for US and Canada Card programs.

Global Card Access Registration

All users must self-register for access to Global Card Access (Figure 1). After registration is complete, users may access other applications within the portal to which they are authorized, such as Online PIN Check and Alerts. Your organization must be configured for an application to view and access the application within Global Card Access.

Global Card Access Login Page

![Global Card Access Login Page](image)

*Figure 1: Global Card Access Login Page*
Global Card Access - First Time Registration for Individual Accounts

To register as a new user for Global Card Access, complete the following:

1. Access the Global Card Access website at www.bofaml.com/globalcardaccess
2. From the Global Card Access Login screen (Figure 1), click **Register New User**.
3. Enter your card account number in the **Card Number** text box.

**Important**: The option, “**I am a Cardholder. This is my corporate credit card number.**” defaults (Figure 2). Do not change this option. For instructions on registering as a Program Administrator managing a corporate credit card program, refer to “First Time Registration for Corporate Account - New User Registration” on page 26.

4. Click **Submit**.
5. Complete the additional account information (Figure 3).

**Important**:
- Registration information required varies based on region and account type.
- Click the icon for additional details, as needed.

---

**Figure 2**: New User Registration Option as a Cardholder Registering an Individual Account

**Figure 3**: Complete Additional Account Information
6. Click Submit. The **New User Registration** screen displays.

7. Complete the information to define your **User ID** and **Password** (Figure 4).

   **Important:**
   
   - A **User ID** must be a minimum of seven characters and a maximum of 50 characters.
   - A **Password** must be a minimum of eight characters and must contain at least one alpha and one numeric character. Passwords are case sensitive.

![Figure 4: Define User ID and Password](image)

8. Select three security validation questions and answers. This information will be used to verify your identity.

9. Click **Submit**.

10. Click **Accept** to acknowledge the Terms and Conditions (Figure 5). The Global Card Access Login screen displays a message confirming your registration is complete (Figure 6).
This completes the procedure.
Log in as a Registered User

To log in to Global Account Access as a registered user, complete the following:

1. Go to Global Card Access at www.bofaml.com/globalcardaccess
2. Enter your User ID.
3. Enter your Password.
4. Click Login. The Global Card Access home page displays (Figure 7).

This completes the procedure.

Global Card Access Home Page

The menu bar that displays on the Global Card Access home page may differ depending on your company's configuration to applications.

![Global Card Access Home Page](image)

Figure 7: Global Card Access Home page

The following links are located in the top-right corner of the home page:

- **Home** - Click Home from any screen to return to the home page
- **Profile** - Click Profile to change your password or edit information, such as User ID and email address.
- **Contact Us** - Click Contact Us to access Customer Service contact information.
- **Help** - Click Help to access reference documentation.
- **Language** - Users may select their language preference for Global Card Access from the drop-down menu.
Changing your Password

To change your password, complete the following:

1. Log in to Global Card Access.
2. Click **Profile** in the top right corner of the screen. The My Info screen displays.
3. Click **Change Password**.
4. Enter your current password in the **Current Password** field.
5. Enter your new password in the **New Password** field.
6. Re-enter your new password in the **Confirm Password** field.
7. Click **Submit**. A message displays indicating your password has been changed.

**Important:** In the interest of security, an email is sent to the user to confirm the update.

This completes the procedure.

Editing Profile Information

To edit your profile information, complete the following:

1. Log in to Global Card Access.
2. Click **Profile** in the top-right corner of the screen. The My Info screen displays (Figure 8).
3. Edit any of the desired fields:
   - First Name
   - Middle Name
   - Last Name
   - User ID
   - Employee ID
   - Email Address
4. Click **Save**. A confirmation message displays.

**Important:** In the interest of security, an email is sent to the user to confirm the update.

This completes the procedure.
Resetting a Forgotten Password

To use the *Forgot your Password?* feature, complete the following:

1. From the Global Card Access login screen, click *Forgot your Password?* TheForgot Your Password screen displays.
2. Enter your **User ID** and **Email**. Additional information on the password reset will be emailed to the email address entered.
3. Click **Submit**.
4. Enter an answer to the Security Question that displays.
5. Click **Submit**. The login screen displays with a message indicating an email will be sent with additional instructions for resetting your password.
6. Enter your **User ID** and the temporary password contained within the Forgotten Password Reset email on the login screen.
7. Click **Login**. The Change Expired Password screen displays (Figure 9).

![Figure 9: Change Expired Password](image)

8. Enter the temporary password in **Current Password**.
9. Enter a new password in **New Password**.
   
   **Important**: Passwords must be a minimum of eight characters and must contain at least one alpha and one numeric character. Passwords are case sensitive.
10. Re-enter the new password in **Confirm Password**.
11. Click **Submit**. A confirmation message displays.

This completes the procedure.
Alerts

Introduction

Alerts provide notifications about important, time-sensitive information about your corporate card account and activity. With Alerts, you receive critical information about your corporate card accounts without logging in to an application. You can select the communication channel that best suits your business needs including email and text message for all alert types, or select voicemail for suspicious activity alerts.

Alerts is currently available only to cardholders with US and Canada-based corporate card programs within the Global Card Access website, and users must have a US or Canadian mobile phone number in order to receive text or voice alerts. Your organization must be configured for Alerts to view and access the application within Global Card Access.

Alerts Access

All users must self-register for access to Global Card Access. After registration is complete, users may access the Alerts application within Global Card Access. Refer to “Global Card Access - First Time Registration for Individual Accounts” on page 6 for registration instructions.

Alerts for Individual Accounts

Available Alert options vary according to the type of card account you are registering. Individual cardholders will register an ‘individual’ account number, and program administrators will register a ‘corporate’ account number. After you enter the Alerts tool the applicable alerts based on your program type will be viewable for you to select.

The Individual Account Alert Types include:

- Suspicious Activity
- Purchase Amount
- Distance From Zip
- Specific Balance Amount
- Merchant State/Country/Type
- Mail/Phone/Internet Purchase
- Purchase Declined
Setting Up Alerts and Contacts

To set up alerts and contacts, complete the following:

1. Log in to Global Card Access.
2. Click the **Alerts** tab or click **Manage Alerts**.
3. Select an option for **Language** and **Time Zone** preferences from the drop-down menus that display (Figure 1).
4. Click **Enroll Now**.

![Figure 1: Select Alert Preferences](image-url)
5. Click **Accept** to acknowledge the Alerts Terms and Conditions (Figure 2). The Contacts screen displays with an enrollment confirmation message.

![Alerts Terms and Conditions](image)

**Figure 2:** Accept Alerts Terms and Conditions

6. Complete the actions, as needed (Figure 3). This feature will allow additional person(s) to receive the alert.

**Important:**
- You may have a maximum of three contacts for each Alert.
- The information requested will vary based on the delivery option (Contact Type) selected.

  b. Click **Save**. A confirmation message displays. |
| Edit Status | a. Select an option from the **Status** menu:  
  ▪ Select **Disable** to temporarily suspend a contact.  
  ▪ Select **Enable** to return a contact to an active status.  
  b. Click **Save**. A confirmation message displays. |
| Add another contact | a. Select **Add Another Contact**.  
  b. Click the **Select** drop-down menu.  
  c. Does the desired contact display in the drop-down menu? |
| If... | Then... |
| **Yes** | i. Select the desired contact.  
  ii. Continue adding contacts by clicking **Add Another Contact**, if desired.  
  **Important:** You may have a maximum of three contacts for each Alert.  
  iii. Click **Save**. A confirmation message displays. |
| **No** | i. Select **Add New Contact** from the drop-down menu.  
  ii. Enter a **Nickname** (maximum 25 characters, including special characters) for the new contact.  
  iii. Select a **Contact Type**.  
  iv. Enter the information required for the new contact.  
  v. Select the **terms and conditions** and **privacy policy** statement check box to accept, if it displays.  
  vi. Click **Save**. A confirmation message displays. |
| Delete a contact | a. Click **X** beside the contact to be deleted.  
  b. Click **Continue**. A confirmation message displays. |

This completes the procedure.
Editing Alert Preferences

To change your language and time zone preferences, cancel enrollment in Alerts, or view Alerts Terms and Conditions, complete the following:

1. Log in to Global Card Access.
2. Click the Alerts tab or click Manage Alerts.
3. Click the Preferences tab. The Preferences screen displays (Figure 6).

![Figure 6: Edit Alerts Preferences](image)

4. Complete the following actions, as needed:

<table>
<thead>
<tr>
<th>To...</th>
<th>Then...</th>
</tr>
</thead>
</table>
| Change Language or Time Zone Preferences | a. Select an option from the Language drop-down menu, as needed.  
b. Select an option from the Time Zone drop-down menu, as needed.  
c. Click Save.  
This completes the procedure. |
| Un-enroll in Alerts    | a. Click Change in the Enrollment Status field.  
b. Click Yes, I want to un-enroll. The Global Card Access home screen displays.  
This completes the procedure. |
| View Alerts Terms and Conditions | a. Click Terms and Conditions.  
b. Click Close.  
This completes the procedure. |
User-Initiated Text Alerts

At the request of an Alerts user who is a registered text contact, a text alert can be provided regarding a registered account. Text messages regarding account activity or account transactions may be sent to a user on the mobile phone number when prompted by the user. A user can request account information using the following key words and a short code from the mobile phone. The short code is a multi-digit number that can send and receive messages with mobile phones. For Alerts, the short code is 767262. For example, text “BAL” to 767262 to have your current account balance sent to your phone.

Account Information Key Words

- BAL = Balance
- AVAIL = Available credit/cash
- BILL = Minimum/last payment
- TRANS = Last three transactions
- HELP = Help
- STOP = Cancel

Alerts for Corporate Accounts

Program Administrators may have access to Corporate Account alerts. Alert settings for Corporate Accounts are shared by all users for that account. Changes to an account’s alert settings may impact other users.

The specific alerts available differ based on the Account Type and Billing Type combination of the account:

- Corporate Account/Corporate Bill
- Corporate Account/Individual Bill

The Corporate Account Alert Types include:

- Credit Available
- % of Credit Limit (Multi-Threshold)
- Specific Balance Amount
- Payment Due in X Days (Corporate Bill Only)
- Payment Amount (Corporate Bill Only)
- Missed Payment (Corporate Bill Only)
First Time Registration for Corporate Account - New User Registration

A Program Administrator who manages a company’s corporate credit card program can register for Global Card Access using the company’s billing account number.

To register as a new user for a corporate account, complete the following:

2. Click **Register New User** on the Global Card Access Login screen.
3. Enter the corporate card number in **Card Number** field.
4. Select **I am a Program Administrator. This is the company's billing account number.** (Figure 7)
   
   **Figure 7**: New User Registration Option for a Program Administrator with a Corporate Account

5. Click **Submit**.
6. Complete the additional account information:
   - **Company Name**
   - **Company Number**
   - **Credit Limit**
   - **Zip/Postal Code**
7. Click **Submit**. The New User Registration screen displays.
8. Complete the information to define your **User ID** and **Password** (Figure 8).

   **Important:**
   - A **User ID** must be a minimum of seven characters and a maximum of 50 characters.
   - A **Password** must be a minimum of eight characters and must contain at least one alpha and one numeric character. Passwords are case sensitive.

![Figure 8: Complete New User Registration Information](image)

9. Select three security validation questions and answers. This information will be used to verify your identity.

10. Click **Submit**.

11. Click **Accept** to acknowledge the Terms and Conditions. The Global Card Access Login screen displays a message confirming your registration is complete.

   This completes the procedure.

### Log in as a Registered User

To log in to Global Account Access as a registered user, complete the following:

2. Enter your **User ID**.
3. Enter your **Password**.
4. Click **Login**. The Global Card Access home page displays.
Setting Up Corporate Account Alerts and Contacts

To set up corporate account alerts and contacts, complete the following:

2. Click the **Alerts** tab or click **Manage Alerts**.
3. Select an option for Language and Time Zone preferences from the drop-down menus that display.
4. Click **Enroll Now**.
5. Click **Accept** to acknowledge the Alerts Terms and Conditions. The Contacts screen displays with an enrollment confirmation message (Figure 9).

![Figure 9: Complete Contacts Set Up](image)
6. Complete the actions, as needed. This feature will allow additional person(s) to receive the alert.

   **Important:**
   - You may have a maximum of three contacts for each Alert.
   - The information requested will vary based on the delivery option *(Contact Type)* selected.
   - **Voice Contact Type** can only be selected for Suspicious Activity alerts, which are not available to corporate accounts.

| No    | a. Select **Add New Contact** from the drop-down menu.  
       | b. Enter a **Nickname** (maximum 25 characters, including special characters) for the new contact.  
       | c. Select a **Contact Type**.  
       | d. Enter the information required for the new contact.  
       | e. Select the **terms and conditions** and **privacy policy** statement check box to accept, if it displays.  
       | f. Click **Save**.  
       | g. Go to step 14. |

14. Continue to select the check box beside each alert you wish to receive, as needed.

15. Select at least one contact from the **Select** drop-down menu for each alert selected.

16. Click **Save**. A confirmation message displays.

This completes the procedure.

**Editing Corporate Account Alerts and Contacts**

The process to edit Corporate Account alerts and contacts is the same as those documented for Individual Account Alerts and contacts. Refer to “**Editing Alerts**” on page 21 and “**Editing Contacts**” on page 23.
Online PIN Check

Introduction

As you travel, you will find that Chip and PIN terminals are becoming more common and require the use of a Chip and PIN enabled card. To complete a purchase at these terminals, you will need to enter a PIN rather than provide a signature. The chip supplements the magnetic stripe on the card, providing you with greater access to points of sale and improved acceptance around the globe. Online Pin Check is a simple online tool with robust security features, allowing you to access your 4-digit PIN associated with your Chip and PIN Card whenever you need it.

Online PIN Check is available only to Individual Accounts in:

- North America
- Europe
- Middle East Asia (not Asia Pacific)
- Australia

Your organization must be configured for Online PIN Check to view and access the application within Global Card Access.

You are never without your PIN

It is important that you remember your PIN and do not share with others. You can retrieve a forgotten PIN online at any time by visiting www.bofaml.com/globalcardaccess after a one time registration. The instructions that follow will help you get started.

Figure 1: Cardholder Login Page
First Time Registration

A user must register through the Global Card Access website before gaining full access to the PIN Check site and retrieving a PIN. To register as a new user, complete the following:

1. Go to Global Card Access at www.bofaml.com/globalcardaccess
2. From the Global Card Access login screen, click Register New User.
3. Enter your card account number in the Card Number text box.
   **Important:** The option, “I am a Cardholder. This is my corporate credit card number.” defaults (Figure 2). Do not change this option.

![Figure 2: New User Registration Option as a Cardholder Registering an Individual Account](image)

4. Click Submit.
5. Complete the additional account information (Figure 3).
   **Important:** Click the icon for addtional details, as needed.

![Figure 3: Complete Additional Account Information](image)

6. Click Submit.
7. Complete the information to define your **User ID** and **Password** (Figure 4).

   **Important:**
   - A **User ID** must be a minimum of seven characters and a maximum of 50 characters.
   - A **Password** must be a minimum of eight characters and must contain at least one alpha and one numeric character. Passwords are case sensitive.

![Define User ID and Password](image)

**Figure 4:** Define User ID and Password

8. Select three security validation questions and answers. This information will be used to verify your identity.

9. Click **Submit**.
10. Click **Accept** to acknowledge the Terms and Conditions (Figure 5). The Global Card Access login screen displays with a message confirming your registration is complete.

![Figure 5: Accept Terms and Conditions](image)

This completes the procedure.

**Log in as a Registered User**

To log in to Global Account Access as a registered user, complete the following:

2. Enter your **User ID**.
3. Enter your **Password**.
4. Click **Login**. The Global Card Access home page displays.

This completes the procedure.
Retrieving Your PIN

Once your registration is confirmed, you will be able to view the PIN Check navigation bar.

1. Log in to Global Card Access.

2. Click **Check Your PIN** or the **PIN Check** tab (Figure 6).
   
   **Important:** If your company is only entitled to Online PIN Check, the **Alerts** tab and Manage Alerts button will not display.

![Figure 6: PIN Check Tab and Link](image)

3. Enter your card’s security code if the Security Code Form displays (Figure 7). The Security Code Form screen displays only when you are accessing PIN Check from a new device.
   
   **Important:** The card security code is located on the back of your card and is the three digit number listed after your card account number.

![Figure 7: Enter Card Security Code](image)
4. Click **Submit**. The secure Online PIN Check site displays and your PIN is displayed one digit at a time (Figure 8).

**Important:**
- Please ensure that your screen cannot be viewed by anybody else as your PIN is displayed.
- If you miss any of the numbers, you can hit the **Back** button to view your PIN again.

![Online PIN Check Screen](image)

**Figure 8:** Online PIN Check Screen

This completes the procedure.
