UNIVERSITY APPROVED PROCESSORS AND PAYMENT GATEWAY PROVIDERS

CU Merchant Accounts with these Providers must always be setup through The Office of the Treasurer. The University currently only works with the below listed Processors and Gateway Providers.

PROCESSORS

Approved for University wide use:

- ELAVON
- GLOBAL PAYMENTS
- AMERICAN EXPRESS

Permitted for use under special circumstances only:

- CARDCONNECT
  - P2PE
- CHASE PAYMENTECH

CU Merchants must be familiar with general processing guidelines required by their specific Processor. Click each of the Processor links above to review the operating requirements of each.

GATEWAY PROVIDERS

Approved for University wide use:

- CONVERGE
- CYBERSOURCE

Permitted for use under special circumstances only:

- CARDPOINTE
- BRAINTREE
- TRUSTCOMMERCE
- ORBITAL

Due to the stringent requirements of the Payment Card Industry’s Data Security Standards, the University strictly prohibits engaging with any other Merchant Service Provider, not listed above, for the acceptance and processing of credit cards without proper approval from The Office of the Treasurer.
